- Thanks to the #AffordableCareAct, Americans with pre-existing conditions can no longer be denied coverage. This and other significant gains made under the ACA are at stake in this election. We must keep fighting to preserve the #ACA!
- This election, access to affordable health care is at risk for over 20 million Americans. This is about more than politics, it's about the health & financial security of our families. We must protect & expand health care coverage to ensure everyone gets the care they deserve.
- Thanks to the #AffordableCareAct, families no longer must bear the full cost of pregnancy, delivery & postpartum care and women cannot be charged higher premiums than men! Critical gains made under the #ACA are at stake in this election. We must keep fighting to preserve them!
- The stakes in this election couldn't be higher. With over 20 million Americans' coverage on the line, we must keep fighting to protect and expand affordable health care for all.
- Did you know the #AffordableCareAct has helped connect more families to high quality health insurance and affordable health care than ever before? This includes nearly 20 million people who gained coverage due to Medicaid expansion. Thanks #ACA!
- The future of our nation's health care is on the line, including the significant gains made under the #AffordableCareAct. Let's protect these essential health benefits like emergency care, mental health support, and more, and ensure everyone can get the care they need. #ACA
- From 2010 to 2022, the #AffordableCareAct cut the uninsured rate for people under 65 nearly in half! But the #ACA is under attack in this election. We must stand strong and fight for these essential health care benefits!
- Nearly 20M people rely on premium tax credits to afford their health insurance. Without them, they risk losing coverage, delaying care, or incurring unaffordable #medicaldebt. #APTCs are a lifeline. Let's ensure everyone keeps their access to health care in the coming election.
- For nearly 20M Americans, premium tax credits are the difference between affording health insurance and going without. Congress must act to protect #APTCs & prevent millions from losing coverage and facing crushing medical debt. Health care should be a right, not a privilege.
